How to Use This Index

The Law Reporter Annual Index is designed to make your 1987 issues of the *ATLA Law Reporter* a reliable and accessible research tool. Here are a few things you should know to make the best use of your index:

General Index by Subject (page 1): The major subject headings in the General Index correspond to the areas of law covered in each issue of the *Law Reporter:*

Admiralty	Employee Safety	Premises
Attorneys	Evidence	Products Liability
Automobile Accidents	Family Law	Professional Negligence
Aviation	Government Liability	Railroads
Civil Rights	Insurance	Schools
Commercial Litigation	Intentional Torts	Toxic Torts

Damages	Negligence	Utilities

Entries within each subject include both factual and legal issues. The numbers following the entries are page numbers in Volumes 30 of the *Law Reporter.*

Wrongful Death Index (page 37): This index lists the wrongful death cases reported in Volume 30 of the *Law Reporter* by sex and age.

To Obtain Further Information About a Case: The *Law Reporter* is not able to provide pleadings, transcripts, or briefs except where noted in the "Offerings" column each month. Your ATLA Membership Directory provides you with the complete address and phone number of any ATLA Member.
